

THIBAUT LIGER-BELAIR

Vosne Romanée Aux Réas

SURFACE AREA

0.55 ha (1.36 acres) planted in 1954.

TERROIR

This plot, located on the edge of the Premier Crus, is at the crossroads of the Combe de Nuits and the Combe de Vosne. It is a plot with a steep slope where the vines grow practically on the rock, which in places is flush with the surface of the soil. The upper part of the plot is on a rather dark clay soil.

PERSONALITY

A wine of great purity, where the smoothness and minerality place it a little outside the standards of the appellation. The beautiful exposure of this terroir, thanks to its gentle south-southeasterly slope, always offers a beautiful maturity that contrasts with the freshness of the limestone soil.

VINIFICATION & AGING

- Manual harvest and totally destemmed
- 3 weeks of fermentation with a light extraction
- 40% new oak barrels are used for a period of 20 months

TASTING NOTES

The palate is medium-bodied with crunchy red fruit, fine acidity, and a fresh, well-structured, minerally finish that punches above its village cru status.
