LAURENT PONSOT

MEURSAULT 1ER CRU

Les Perrieres
Cuvée de L'Hellebore
1er Cru

A markedly cool, restrained and elegant nose grudgingly reveals its aromas of mineral reduction, green apple, honeysuckle and gentle wood toast. There is both fine richness and a sophisticated texture to the stony if less concentrated flavors that culminate in a chiseled, powerful and beautifully well-balanced finale that is dry to the point of austerity. A classic Perrières of class and grace - in a word, impressive.
