

La Jaraba, Spain

VIÑA JARABA

TINTO 2019

A beautiful blend of 70% Tempranillo, 20% Cabernet Sauvignon and 10% Merlot, this comes from vines set in a range of soils, as this was stored in new French oak for 12 months before bottling, very smooth upon entry this offers a great range of dark fruit flavors with coffee grounds, and salty soil accents. This is already beautifully evolved wine that offers serious value.
